There is a good chance of spotting Flamingos and Eagles at an inland stream. Visit the picturesque Wadi Arabayeen with its deep pools of water set among the date palms. We then proceed to the Bimah sinkhole, a spectacular limestone crater with blue green water at the bottom. On clear sunny days while driving along the coast one might chance to see sharks in the deep blue waters or fleet footed Gazelles sprint across the landscape. The mausoleum of Bibi Miriam at Qalhat stands as testimony of a bygone era. As we continue from here the road winds through mountain terrain offering breathtaking glimpses of the blue waters of the ocean enroute. We continue our drive to Ras Al Junaiyz , a sanctuary for the green turtles. Check into the hotel. At night we have a short drive to the Ras Al Jinz Scientific Centre where we are escorted to the beach by trained guides to watch the turtles coming into nest on the sands. **Dinner & Overnight** in Ras Al Hadd.
